

CD3-1616

The Full-Sized Value Cash Drawer

Star Micronics is proud to announce the CD3 Value series to its cash drawers lineup.

Star Micronics' CD3 Value cash drawer series includes cost-effective cash drawers that integrate seamlessly into any retail or hospitality environment with a standard printer communication interface and bottom exit cable, hidden from the customer's view. CD3-1616 Value cash drawers can accommodate to Canadian, United States, and Latin American currency types with 4 Bill / 8 Coin, 5 Bill / 8 Coin, and 5 Bill / 5 Coin till options.

Features include dual media slots and a four-function lock system. The smooth black or white coated finish provides a unified appearance and complements the connected POS peripherals for merchants. The dual media slots provide extra storage for checks and large bills. For security, the key lock at front center allows for an easy manual release with a key or an electronic release.

The CD3-1616 Value Cash Drawer is a full-sized cash

drawer for robust storage and high volume cash flow. With an optional under-the-counter mounting bracket, retail and hospitality establishments can save on precious counter space area. Optimal in any POS environment, the CD3 Value cash drawers will enhance not only cash operations, but also the appearance of your POS terminal.
