Elo PayPoint® Plus
for Apple iPad®

All-In-One POS Platform

Made for iPad

Plug & Play | **Industry Standard Peripherals** | **3-Year Warranty**

Product Overview

PayPoint Plus for iPad is an all-in-one mPOS solution that brings simplicity and elegance to the point of sale. Offering sleek, modern style with peripherals built in, PayPoint Plus integrates a 3-inch Star receipt printer, industry standard 16-inch cash drawer, Magtek MSR, Honeywell 2D barcode scanner and a customer facing displays*. 3rd party peripherals can also be added through one of the I/O connections, allowing for an EMV payment terminal, second cash drawer or scale if needed.

PayPoint transformstraditional POS into a beautiful and functional space-saving solution to help you to better serve your customers. The flip-for-signature screen encourages shopper engagement and electronic receipt delivery. And, with its single cable design, PayPoint makes setting up the point of sale system fast and easy - just unbox, plug in, connect, and go.

Deploy your POS software on a stylish all-in-one platform with the ease of a single cable for installation

Fully integrated peripherals including: MSR, 2D barcode scanner, receipt printer and cash drawer

Test the integrated peripherals, update firmware and encrypt the MSR with a simple intuitive Elo peripheral test app
