TP6 Widescreen

POS TERMINAL

Description

With a sleek yet robust design, the EVO TP6 is the perfect enterprise-grade POS solution. The EVO TP6 features a 18.5″ widescreen projected capacitive touchscreen, cable free accessories and a versatile dual hinge design.

Highlights

Widescreen HD Display
The 18.5″ widescreen display increases efficiency by allowing the operator to view more information on a single screen. Full 1080p HD allows for modern design and high quality images, perfect for customer facing use cases.

Versatile Platform
A dual hinge design allows for efficient shipping and almost unlimited tilt angels. Built-in VESA mounting extends the versatility of the platform to any wall mount installation.

Fan-less Design
A fan-less design provides a sleek, clean look and silent operation. No vent openings mean better protection from dust and water reaching an IP54 ingress protection rating.

Resilient Touch Screen
The EVO TP6 features a 18.5″ widescreen LCD with projected capacitive (PCAP) multi-touch technology built to take the rigors of heavy use.
