SM-S230i

SM-S230i

The Compact, Two Inch, Lightweight Bluetooth Portable Printer

Star Micronics' SM-S230i is a compact, lightweight, two-inch portable Bluetooth and USB printer. Compatible with all operating systems (Windows, Android, iOS). The SM-S230i is the smallest printer in the Star Micronics portable printer series.

The SM-S230i requires no set up with its auto detection Bluetooth feature between using different mobile devices with various operating systems. A clerk can simply use an Android or iOS device without adjusting the original settings. With an additional convenient connection option for USB 2.0, the SM-S230i can send fast transfer speeds of data and provide security with an easy plug-in USB cable.

Easy "Drop-In & Print" paper loading, the SM-S230i has a printer cover that opens with an easy touch-of-button functionality and does not require the hassle of using two hands to operate. With exceptional battery life of 13 hours and a fast print speed of 80mm/second, this affordable, lightweight printer is ideal for long working environments in retail and hospitality settings.
