

SM-T300i

Dust Protected and Splash Proof, Three Inch, iOS Compatible Bluetooth Portable Printer

The Star SM-T300i is a revolutionary ruggedized portable Bluetooth printer that is compatible with all operating systems (iOS, Android™ and Windows®). Compatibility with iOS is a result of Apple MFi Certification of the SM-T300i portable printer.

The SM-T300i has an easy "Drop-In and Print" paper loading, a reliable and quick print speed of 75mm per second, an intuitive LCD display, and optional magnetic stripe reader. Dust-protected and splash-proof resistant (IP54-Certified), the SM-T300i is rugged enough for outside field workers requiring handhelds to seamlessly print from a mobile device to a durable portable printer.

The SM-T300i also allows for restaurant servers and clerks working in demanding retail and hospitality environments to print standard three-inch format receipts wherever they need to. Its rugged and splash-proof design combined with standard three-inch receipt printing and a long battery life make the SM-T300i a welcomed option.

In addition to its ability to pair with iOS, Android, and other popular mobile platforms, the SM-T300i can print receipts or data from a web browser-based application running on

a mobile device wirelessly by configuring Star's WebPRNT Browser App. Once configured, simply pair your mobile device to the SM-T300i, and print from WebPRNT Browser

Features:

- 3-Inch Ultra Durable Portable Printer
- Dust-Protected, Splash-Proof (IP54-Certified)
- High Speed: 75mm /sec
- Bluetooth (2.1: SPP) / Serial Connections
