# VP3350

3-IN-ONE CARD READER FOR CONTACTLESS & MOBILE

The VP3350 is ID TECH's most robust mobile reader. It is PCI PTS SRED 6.X certified & has the latest in device hardware protection ensuring secure payment transactions. With rotating USB-C connector, Apple lightning connector & Bluetooth connections, the VP3350 can connect to all mobile merchant Android & iOS devices & can be integrated into a stand for support of traditional countertop POS systems. The VP3350 supports all contactless payment methods including Google Pay, Apple Pay & Samsung Pay along with supporting the loyalty programs Apple VAS and Google SmartTap 2.1.
