# VP6300

PCI 5.X CERTIFIED OUTDOOR PAYMENT PERIPHERAL

The VP6300 is the ideal solution for vending machine operators looking for a secure cashless solution supporting magnetic stripe, EMV Chip and contactless cards, and NFC mobile payments. Through the integrated, high-contrast color digital display, customers can be guided to tap, insert or swipe to complete their transaction. Multiple applications such as MasterCard PayPass, Visa VCPS, American Express ExpressPay and Discover DPAS are supported on the incredible VP6300. Apple Pay, Google Pay, Samsung Pay, are supported as well as customer loyalty applications like Apple VAS and Google SmartTap.

COMMON KERNEL, UNCOMMONLY SIMPLE.

The VP6300 is the ideal solution for vending machine operators looking for a secure cashless solution supporting magnetic stripe, EMV Chip and contactless cards, and NFC mobile payments. Ask how our VP6300 with the common kernel can speed up your time to market and save you costly L3 approvals!
